

# **KIDSMILL**

2018 COLLECTION

## **KIDSMILL**

Kidsmill is the latest brand of contemporary nursery furniture to arrive in Australia. Our collection offers a clean minimalistic aesthetic with soft natural touches. A stunning combination of Dutch design and style, to help create a beautiful space for your child.

Through timeless and thoughtful design, Kidsmill products grow with your family.

## KIDSMILL UP!

The world's smartest high chair

Compact, ergonomic, and adaptable, the Up! brings years of enjoyment for you and your child.

Not to mention, the beautiful design of the Up! complements any home interior.

### Suitable from birth

Thanks to the newborn seat, your baby can join you at the table from birth. Simply click the base frame onto the Kidsmill Up!

### Grow up

Practical! As a highchair the Kidsmill Up! can be used from 6 months and will continue to grow with your child.

### Beautiful style

The Kidsmill Up! is available in a range of colours to complement your home.

## INTENSE

Modern and minimalistic, the Intense collection is a highly stylised range. With a unique matte finish in black or white, and contrasting steel legs, this gives your nursery a striking, contemporary look.

## PORTLAND

The Portland range is a nursery that will be appreciated by lovers of contemporary, rural living style. The delicate wooden accent against the soft white will turn your nursery into a calming sanctuary for baby and you.

## SIXTIES

A high-quality room in a modern design, the Sixties is a contemporary and refreshing nod to the era which inspired this range. A light and delicate take on a classic icon.
