

ComfiCore Cot Mattress-in-a-Box

Your Babyrest ComfiCore Cot Mattress has been compressed for ease of storage and transport.

Follow the below instructions to unpack your new mattress

1. Remove mattress from box, and remove outer bag
2. Locate the end of the rolled mattress. Nearby the end of the mattress, tear the blue paper tape, and allow the mattress to unroll

 **DO NOT USE KNIFE OR SCISSORS TO CUT TAPE**

3. Once the mattress has unrolled, carefully cut the end of the bag with scissors, avoiding contact with the mattress fabric

 **DO NOT USE KNIFE TO CUT BAG**

4. Allow the mattress to expand
5. Remove the bag and leave the mattress on a flat surface for up to 2 days to fully expand to normal shape.

 **PLASTIC PACKAGING CAN BE HAZARDOUS.
KEEP OUT OF REACH OF CHILDREN**

6. After this time, the mattress may remain a little curved for some time, however once the mattress is placed on the mattress base it will flatten out and be ready for use

DISPOSE OF PACKAGING RESPONSIBLY
