TOMMI CHEST 3 DRAWERS

Assembly instruction

w.: 3/8/2022 rys.: TOMMI Chest_ins

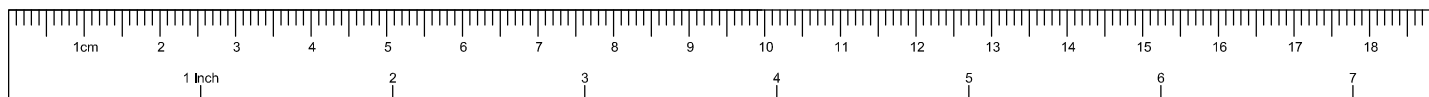

- The manufacturer's assembly instructions must be followed in detail to ensure the safety features of the chest are not compromised.
- To clean the surface, use a damp cloth with water. Do not use window cleaners or cleaning abrasives as this may scratch the surface and could damage the protective coating.

Please note correct holes to use.

STEP 5: Assemble drawer parts together.

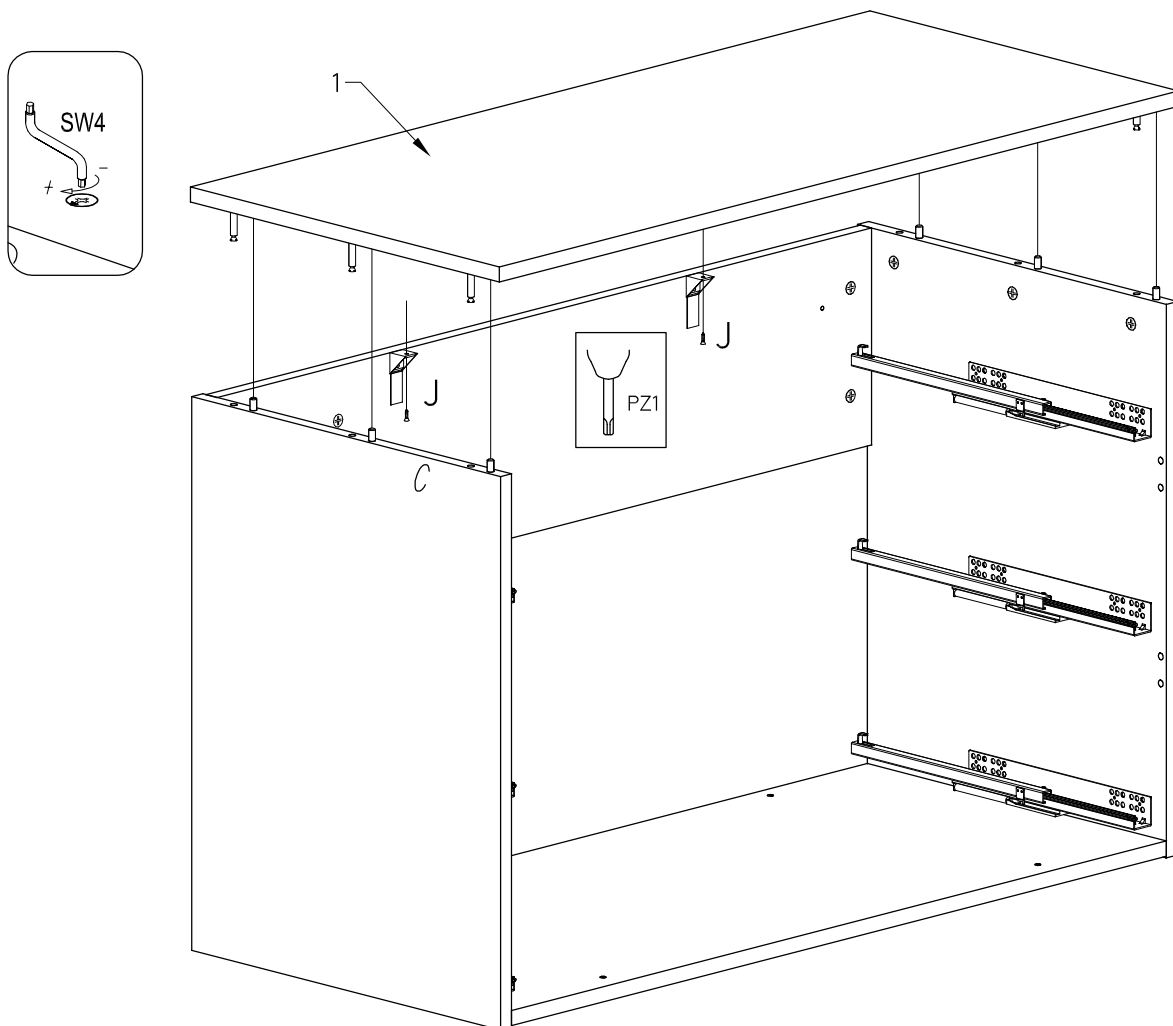

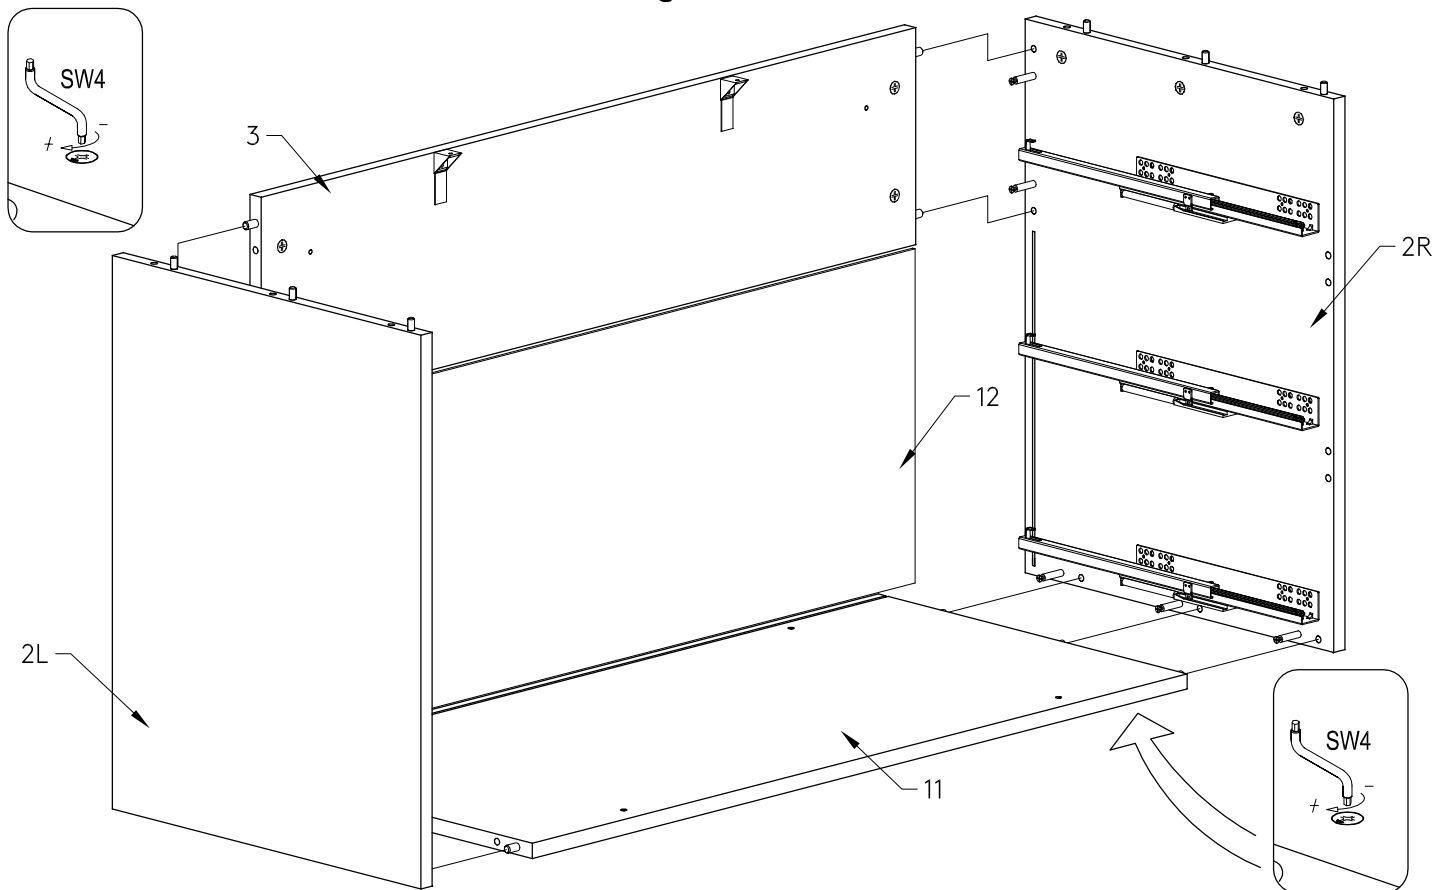

Warning label to be placed inside top drawer.

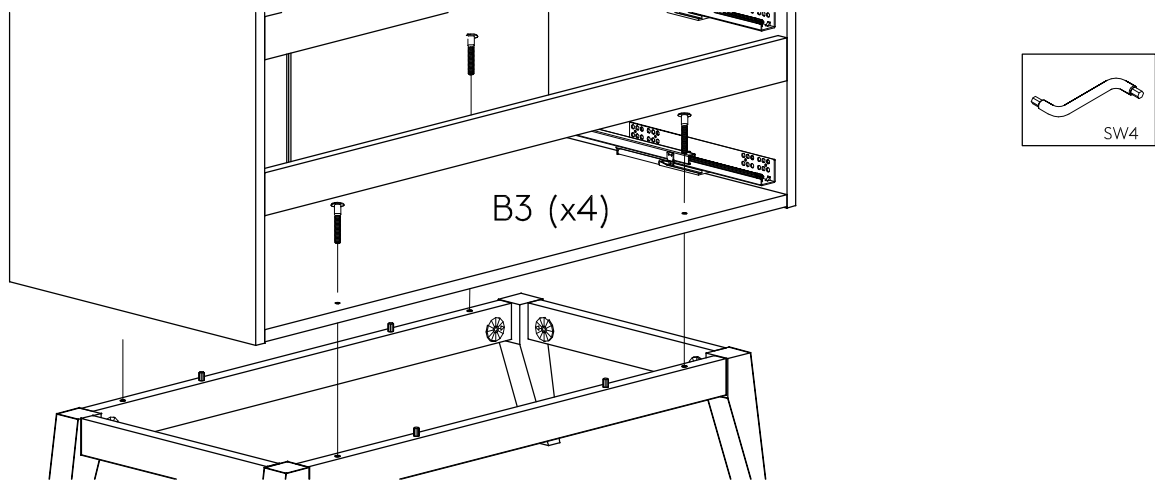

WARNING

This furniture item can become unstable and may topple if climbed upon and can be especially dangerous to children. Serious injury or death may result.
It is undesirable to place objects of interest to children in view on this type of furniture item, as children may be tempted to climb to retrieve the objects the result being that the furniture item may tip and cause injury or death.
This furniture item meets the requirements of AS/NZS 4935. However, even furniture items that meet these requirements can tip under certain circumstances, especially when placed on carpet, uneven or sloping flooring, or when subject to extreme use.
Attachment of the furniture item to an appropriate structural component of the building using suitable means, as advised by a qualified tradesperson, is strongly recommended even for those furniture items meeting the stability requirements of AS/NZS 4935.

STEP 6: Assemble chest frame together.

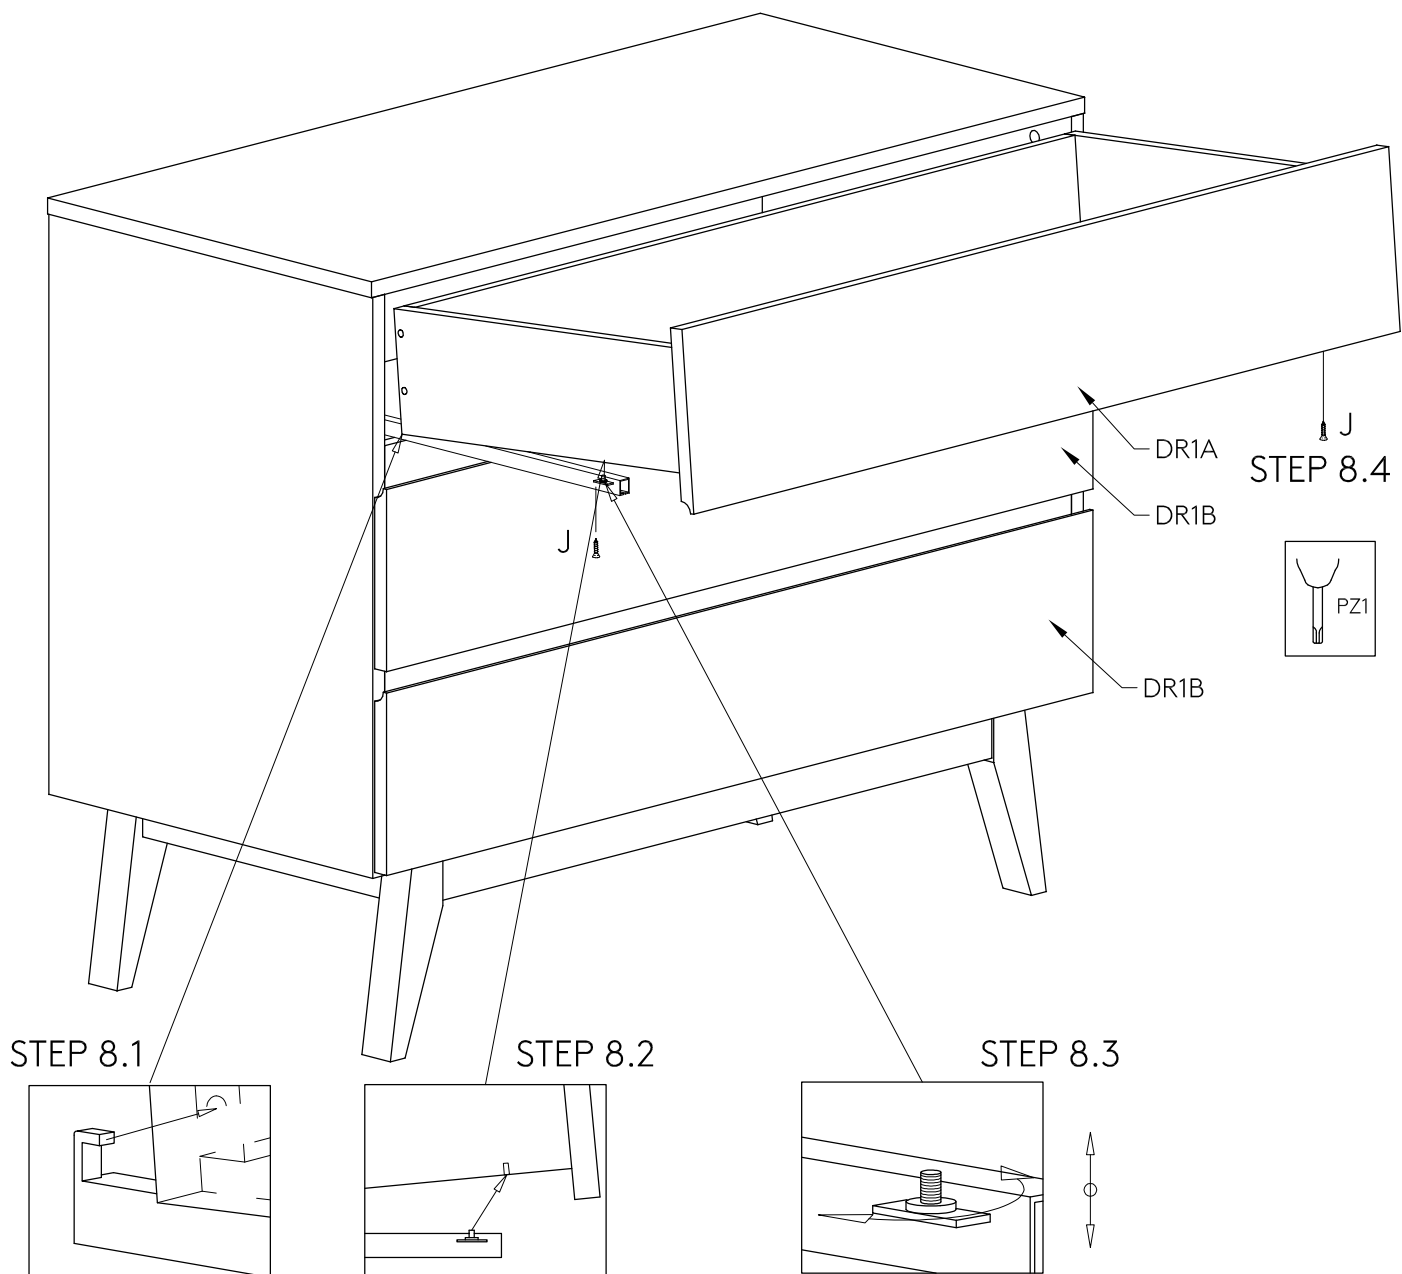

STEP 7: Join chest frame to base frame.

STEP 8: Place drawers into chest frame.
Follow instructions very closely.

! DR1-A \neq DR1-B

Ensure all screws are reasonably tight.
Congratulations. Your Babyrest chest is fully assembled.

STEP 9 Prevention of tipping over

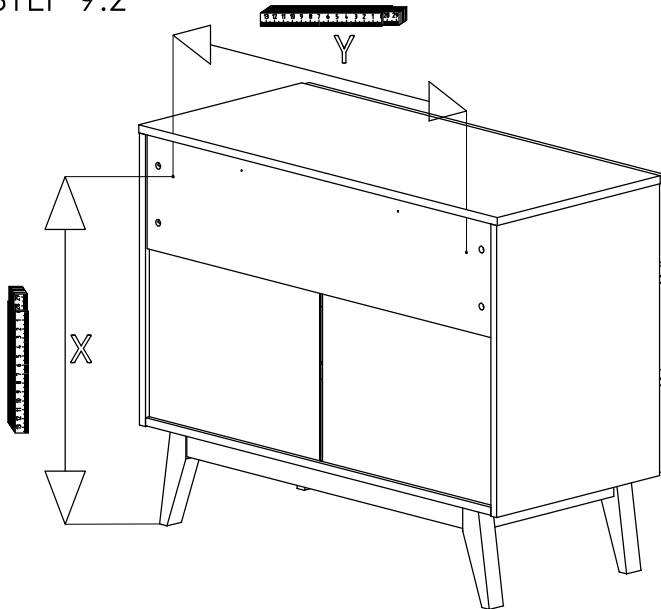

Wall mounting is required.

As wall materials vary, screws for fixing to wall are not included. For advice on suitable screw systems, contact your local specialized dealer.
